

The Great Guide Sleepover 2018

Get excited for one of the most highly anticipated Girl Guides NSW & ACT events. The first sleepover was held in 1996 on the steps of the Opera House to raise awareness and funds for homeless communities.

Since then, the Sleepover has become a tradition, moving locations over the years but always funding a cause for the community. Now in its 23rd year we continue to support Taronga Zoo and Girl Guides NSW & ACT through this fundraiser with an eventful evening of sleeping under the stars, Guiding, animals, movies, dancing and more.
