

Dynamic Programs

Develop Your Network: Act, Motivate, Inspire, Connect.

Program is the one critical element of a good Girl Guide Unit

For the Leader: Learn, refresh and develop all the skills to enhance your program including traditional skills. Find some new ideas for programming outdoors, how to run effective Patrols and progress girls. Round the day out with a campfire ready for the next day of history and exploring BP's Philosophies.

For the Manager: Building a dynamic, district personnel. This training focuses on promotion, problem solving and how District Managers can better support their Leaders.

For the experienced and the developing Leader: we will be pulling apart programs and building dynamic effective resources along with amazing networking

Pre-Course Work

Bring along any programs, good or bad which we can use and make Dynamic.

Using the Girl Guide and Girl Scout Educational Method to create amazing learning experiences
