BUSH CAMPING IN THE MIDDLE OF SYDNEY

Noorumba is an ideal all year round site for your camping adventure - a quiet bushland setting within the Sutherland Shire.

It has several level grassed tent sites, each within reach of a tap with town drinking water. In addition to a well-equipped hut that is supplied with electricity, there is an ablutions block and a good supply of firewood. The ablutions block now has two showers with hot water supplied from a small electrical hot water system.

There are good walking tracks around the area, a picturesque waterfall, and it is possible to canoe to the site. Vehicle access to the campsite is via 4WD from North Engadine or Woronora. You can also hike to the site from Sutherland, Loftus or Engadine Stations.

FACILITIES

On site power and town water

Bathroom facilities with 2 toilets and 2 showers. Separate leaders/male toilet

Bell tents and patrol equipment supplied for 4-6 patrols

Fridge, microwave, toaster, kettle, urn

Firewood

Trestle tables and chairs
