It's easy! Booking & paying for Events & Trainings online

Since online bookings were introduced in 2009 we have been improving the facility constantly, so you'll find it easier to access the great array of Guiding events, activities and trainings. Please send us your feedback so we can make this service even better.

Event & Training Bookings for Individuals

Log onto the website (www.girlguides-nswact.org.au):

- Go to the NSW & ACT Events page and click on the event you wish to attend OR head to the Training Page and click on the Training you wish to attend.
- Scroll down the pop up window and press '**click here to make a booking**'. Follow the instructions on the page, completing all details.
- The next page will confirm your booking and let you either print your invoice to post into Guide House with your preferred payment method; or you can continue and pay online using your credit card. Online payments are completely secure and log you directly in to Westpac. Booking and paying online occurs instantly, takes only 5-10 minutes, and can be done up to 5pm on the closing date. It's perfect for last minute applications and busy Guide Leaders and Parents!

Event Bookings for Groups

Follow step 1 above; for step 2, press '**click here to make a group booking**' after choosing your event.

The next window will allow you to type in the membership numbers of your participants. The Group Leader should be the **main contact person** for the Unit and that event, and **must also be attending** the event.

You will also have the option of choosing '**other Leaders attending**'. These must be current financial members; we are currently not able to book for Parent Helpers online.

Then type in the membership numbers of the girls attending. If the girl is not a current financial member, or not the required age to attend that event, an error message will appear to let you know why she cannot be booked in.

You can add or delete members at any point. Press the 'submit' button, and print the invoice.

Go back to the event and download the **fillable PDF Application Form**. Type the required information straight into the document and email/fax/post to Guide House with your preferred payment method.

Confirming your Booking

All bookings and application forms submitted by email, fax or post will receive confirmation by email from the Events Manager within 48 hours. If you have not received this confirmation please contact Guide House to ensure we have received and processed your application.
