

# Jamboree of the Air

ONE of the largest local gatherings of girl guides and scouts for years took part at the Coffs Harbour and District Amateur Radio Club last Saturday, with girls and boys kept busy with activities indoors and outdoors.

Districts participating were Girl Guides from Coffs Harbour, Sawtell and Macksville, while Scouts came from Woolgoolga, Coffs Harbour and Bellingen.

Girl Guides and Scouts enjoyed making contact by radio with Girl Guides and Scouts in the United States, United Kingdom, Germany and Nigeria plus all over Australia, with the Woolgoolga and Bellingen Scouts camping out overnight to speak to overseas contacts in their varying time zones.
