Team effort pays off for busy Brownies

FIRST Menai Brownie Guide Unit has won the Diamond Jubilee Shield Trophy at the Boree Regatta, held at Bonna Point, Kurnell.

The regatta is an annual Sutherland Shire-wide Guiding and Scouting event which attracts hundreds of young people from the region.

First Menai won the shield for first place in the land events which involved relay races, tug-of-war and tests of skill.

"All of the girls showed great teamwork and

encouraged each other," unit leader Robyn Young said. "They have all learned new skills and grown in confidence throughout the years.

"We aim to build their confidence so they can be the leaders of tomorrow.

"We are always looking for new members and new volunteer leaders."

The unit meets once a week during school term. Details: 8396 5200.
