TAYLOR'S BEACH CAMPSITE

Coastal Valleys Region Girl Guides

Absolute waterfront campsite in a sought-after area. Million dollar views and close to the many scenic sites of Port Stephens and surrounding area. Campsite is located at the end of Albert Street, Taylor's Beach.

Phone: (02) 49 343446 ◀

Facilities Available

The shed contains kitchen, shower & toilet facilities.

Taylor's Beach Campsite is able to accommodate 25 persons. It has an onsite shed which houses a kitchen, shower, 2 x toilet facilities and storage area. There are six dome tents available for hire.

The Campsite has three (4 metre by 4 metre and 2 metre high) raised platforms on which to erect the dome tents. These platforms are unique and allow magnificent views of the area. Each platform accommodates a 6 person dome tent and all gear comfortably. The platforms are accessed by wooden ladders.

One of the platforms on which to erect your tent.

DRINKING WATER: Please bring your own. (The tank water is slightly discoloured due to tannin from leaves but is safe to drink.)

Please Note: Canoes can only be taken out with a boating qualified person. Refer to Boating Guidelines.

Canoes and PFD's available for hire.

CANOE: Available for hire whilst a guest of Taylor's Beach Campsite are six Canadian Canoes and twenty personal flotation devices (PFD's) ranging in size from small to XXL. Your vehicle will require a towbar if you wish to launch the canoes from the public boat ramp.

KITCHEN: The facilities available in the kitchen are: two fridges, a microwave, BBQ and gas bottle, pots and pans, cooking utensils, crockery and cutlery. Tables and chairs are also available for your use.

PARKING: Parking is limited. It is advisable to leave your car on the road inside the boundaries and not to park it on the sand.

PETS: No pets are allowed due to the sensitive nature of the environment and any native animals inhabiting the site.

SANDFLIES: At certain times of the year sandflies can be a nuisance. Wear sensible, long-sleeved shirts and long pants. There will be repellent available for campers but we request you bring your own, especially if you have sensitive skin. Repellent coils are left on site for you to use.
